

A HAPPY NEW YEAR

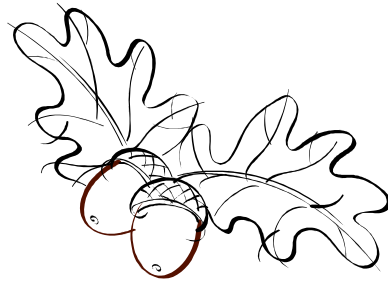

Outside my window, a new year I see
And I can determine what kind of year it will be.
It can be busy and productive and funny,
OR boring and cold - but I'll make it sunny.

My own state of mind is a determining key
For I am the person that I choose to be.
I can be creative with my crafts on the shelf,
And think more of others than I do of myself.

I can enjoy what I do and make it fun
Rather than gripe and unload on someone,
I can be patient with others less driven
And encourage them to use their talents given.

I'll have faith in myself,
What I'll see and what I'll hear;
And I personally intend
To make the best of this year!
